

CALNET 2

The Department of Technology Services would like to invite you to a CALNET 2 Customer Forum to highlight voice, video and data services available to you from Verizon Business, our CALNET 2 partner. These innovative solutions can help California government to achieve its “Green” initiatives and meet its budget demands.

This free event takes place on Tuesday, July 29 from 8:00 a.m. to 1:30 p.m. at the Secretary of State First Floor Auditorium and Multipurpose Room at 1100 ‘O’ Street in Sacramento. Breakfast and lunch are included.

For a map of the location, click [here](#). Public parking is available across the street from the facility, and the nearest Light Rail exit (8th and O) is only three blocks away.

This is the first of a series of road shows that will occur throughout the State over the next few months. This is a public sector only event.
